## ABOUT US

Tender Mercies provides an affordable, safe, permanent home for men and women experiencing homelessness and mental illness. Our services help residents recover, rebuild their stability and independence, and reconnect with their community.

# Dear Friends of Tender Mercies

Next year, Tender Mercies celebrates 35 years of transforming the lives of men and women with mental illness surviving on the streets, under bridges, and in other places unfit for human habitation. Every day, we are inspired by their resiliency and courage. While so much has changed since our founding, we are always grateful for your unwavering belief in our mission.

Like so many in our region, residents of Tender Mercies have first-hand experience with our severe affordable housing shortage. Many people experiencing homelessness have had one, two, three – sometimes more – strokes of bad luck that led to their current circumstances. One missed paycheck or difficulty affording much-needed medication can lead to a chain of events including illness, eviction, substance use, and homelessness. Homelessness can happen to anyone. And it can happen in an instant.

Tender Mercies provides affordable, permanent, and safe housing that welcomes individuals who have faced multiple barriers such as substance use, eviction, and lack of access to mental health treatment. We provide more than just housing; we engage with residents to address the factors which led to their homelessness. Our results show that this model is effective – in 2018, 99% of residents maintained their housing at Tender Mercies or moved into permanent housing in the community.

Seven years into our 10-year Strategic Plan, the Board has set a direction to not only maintain the dignity of the housing we provide 150 men and women, but also to serve more of the approximately 350 individuals with mental illness experiencing homelessness on any given night in Hamilton County.

By the end of 2019, Tender Mercies will welcome 57 additional men and women to The 821 Flats in Cincinnati's West End. Our Board, staff, and donors are looking forward to growing our capacity to make an even greater impact on our region's affordable housing crisis.

The stories of inspiration and hope contained in this report are because of you. We are honored to have you in our family; making a life changing difference every day with you is a special and meaningful experience. When we see someone move in with only the clothes on their back, hungry and frightened after living on the streets, turn into a person who smiles, looks forward to each day, and enjoys being with their friends and family again, we see firsthand the significance of security, dignity, and community. Thank you!

# Meet Juarel

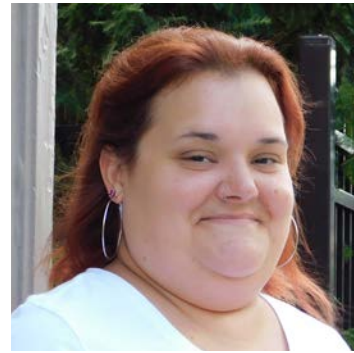

Juarel lived on the streets, under bridges, and stayed in shelters throughout Cincinnati on and off for 5 years while battling the darkness of his mental illness – schizoaffective disorder, bipolar type. Juarel played high school football and attended college with a focus in business management, but the pressures of college and his mental illness began to break him. Eventually, he became

homeless experiencing the “hard ways of life on the street.” He held jobs and attempted to turn his life around, but each time he began to reach success, he was “pulled into the dark”.

Juarel appreciates how welcoming Tender Mercies is. When he moved into his new home, his mom gave him a puzzle as a reminder that piece by piece he can rebuild his life. Each day he puts just a few pieces of the puzzle together as a practice in patience and a reminder to take the time he needs to heal. Juarel enjoys visiting with his family and looks forward to talking with the volunteers who bring warm meals. Without having to worry where he will sleep or if he will be able to eat, he can focus on healing in his safe home.

***Tender Mercies is my safe haven after being on the streets for 5 years where survival is your only thought. I want to thank the volunteers, donors, and staff for making my second chance possible. — Juarel***

# Meet Amanda

Amanda was molested by her uncle from age two to six. Eventually her days were controlled by depression. It was like being locked in a room alone with no way out.

Amanda’s grandma supported her and her daughter Brianna through the darkest days. When her grandma passed away 4 years ago, Amanda’s family told her to find a new place to stay.

It’s nearly impossible to take multiple buses to work starting at 4 am and care for your child while you are up against depression, anxiety, and PTSD. Amanda will never forget the heartbreaking day she and Brianna got evicted. Imagine telling your child she needs to leave her home.

Without the funds for a car, rent, or Brianna’s food and clothing, Amanda had no choice but to send Brianna to live with her Dad so she could be safe and warm. The moment Amanda walked into Tender Mercies, she knew she would be ok. She remembers looking out her window and feeling incredibly grateful that she didn’t have to sleep on a bench in the cold.

Amanda is thankful for her home and Boomer, her emotional support dog who helps to calm her. Brianna is grateful that she can count on her Mom again. Amanda encourages Brianna to chase her dreams, something she never could have done without a home.

***Depression used to take over my days. I’m now working on my well-being and independence because you gave me a safe and comfortable home. — Amanda***

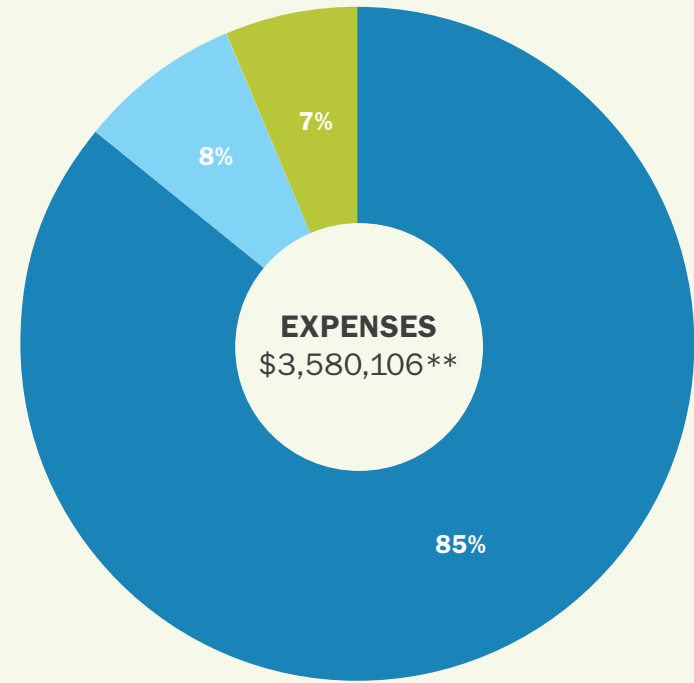

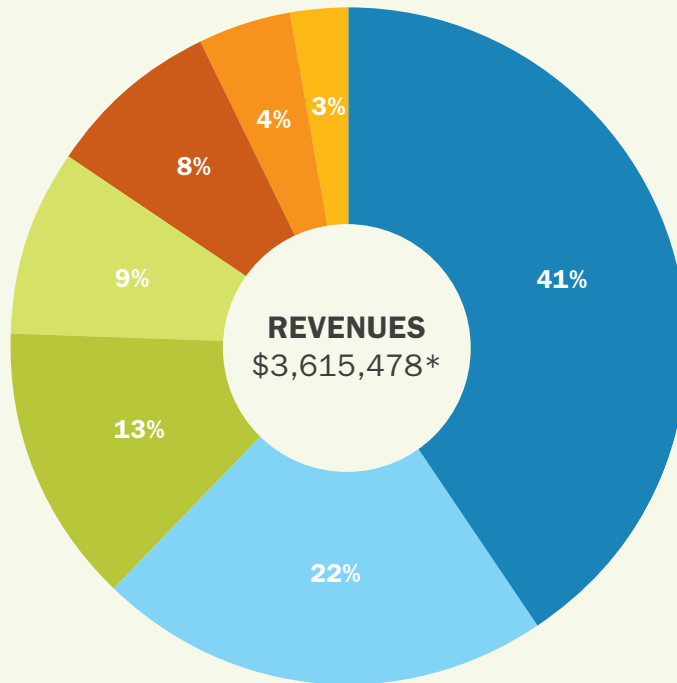

Tender Mercies is a place that I not only call home, but feel home. This is a place where you can get help for anything. The doors are always open. Tender Mercies provides a family atmosphere and ongoing support. We have outings that give us a sense of togetherness. I used to feel worthless and I turned to drugs to numb the pain of mental illness. With help from my doctor and Tender Mercies I feel better about myself. I will be forever grateful for my home and the caring staff. Good job TM! — Larry

Donald was depressed, living on the riverbanks and in parks. His depression got so bad that he tried to take his own life. He still struggles, reliving that pain with scars as a daily reminder. He lived day by day with no hope. Eventually, Donald found home at Tender Mercies. He became friends with Larry and other residents who help keep him on track. Since being at Tender Mercies, Donald is no longer using alcohol to run away from the loneliness and despair of depression. — Donald

## Become a Part of our Family

Tender Mercies is fortunate to have the support of thousands of volunteers each year who help provide a home to residents as they rebuild. Opportunities to help include providing meals and resident activities, landscaping, cleaning, and serving on a committee. Volunteers make it possible to provide security, dignity, and community to over 150 men and women each year.

To find opportunities where you can make a difference in the lives of those in need visit [tendermerciesinc.org/volunteer](http://tendermerciesinc.org/volunteer) or call **Rudy Frank** at **513-639-7027**

# Invest in Our Mission as a Partner of Hope

Did you know that 1,000 people are homeless on any given night in Hamilton County alone? Approximately 350 of these individuals are also struggling with mental illness. It costs more than \$40,000 per year to keep an individual alive on the streets versus only \$49/day at Tender Mercies. With a shortage of 40,000 affordable housing units in our region, the need is constant. You can make a difference by joining Tender Mercies as a Partner of Hope which provides essential support for our Permanent Housing Program.

By investing in our mission as a Partner of Hope, you will make it possible for residents to rebuild their health and self-sufficiency needed to re-engage in community-based permanent housing and secure jobs. Your support will provide a comfortable, warm, and caring home along with a variety of services including wellness and recovery, social and recreational experiences, vocational support, counseling, workshops, and aftercare.

## Thank You!

# Transforming More Lives with The 821 Flats

The construction of The 821 Flats in the West End is nearing completion. When complete, The 821 Flats will provide a welcoming home to 57 more individuals experiencing homelessness and mental illness. This new building presents two “firsts” for Tender Mercies: it is our very first new construction project and it is our first property to provide in-unit kitchens and baths.

This new 40,624 square-foot building will offer 4 one-bedroom apartments and 53 efficiency units, modern laundry facilities, a common kitchen and dining space, 24/7/365 security and support staff, and on-site health services and case management.

To learn more about becoming a **Partner of Hope in 2020** and opportunities to name a space at **The 821 Flats**, please contact:
